Christmas Lights

Dear Residents,

We are fast approaching the Christmas season and would like to ask for your help in making the development look as wonderfully festive as possible.

For a Christmas effect on arrival into the development, there will be nets of lights on the bushes on the lead up to the security gates, as well as up to the first roundabout. Taking on board feedback over the years, warm white is the colour that will be used throughout.

There will also be the lights in St Martin's Lane square, which were kindly funded by residents last year.

Would you be able to sponsor, or donate towards, a festive lamp post?
With extra funding, it would also be possible to adorn all lamp posts with lights, giving a festive feel throughout the development. To do this, we need to fit power sockets to approx. 35 lampposts (6 of them already have one) and buy the lights. This would be £120-125 per lamppost.

If you would be happy to sponsor a lamp post, donate towards one or if you know any local businesses who would like to sponsor/donate towards this, please make a transfer to Langley Park Residents Association (LPRA) bank details below, with your address + xmas as a reference. We will try to fund any shortfall to do as many lamp post as we can from LPRA funds.

We are also looking for help putting them up.

Can you give up a couple of hours over the weekend of 25th/26th November to help put up? Quotes from local companies last year were in the several thousands and a number of residents expressed they would be willing to help to keep costs low. We'd be delighted to have more volunteers to get the lights up faster!

To volunteer your time, please indicate your preferred days/time(s) on this form

and hand in to the gatehouse.

Lastly, thanks to those in the events/social team who have coordinated all of this: Alison (St Martin's), Debbie (Wagtail), Diana (St Martin's), Sarah (Bucknall), Tina (Bucknall) and Maureen (St Martin's).

Kind regards,
LPRA

Tennis Club Update.

The works are coming to an end now and once the tennis club has finished their work will look at the planting around the new commercial guest parking spaces this is going to create.

Dogs.

Due to a number of incidents involving dogs we would kindly ask dog owners to:-

Keep their dogs under control at all times.

If a dog defecates in any area of the development, the person in charge of the dog must remove the faeces immediately and place in the appropriate bins.

Roundabouts.

Attention has been drawn to the committee about vans, cars and children on bikes and scooters going the wrong way around the roundabouts.

We are very concerned that this is going to cause a serious accident, if you see this happening please give the reg-number to security.

Vandalism.

Some of you may have seen 3 lampposts in the bund area have been vandalised between 6pm and 9pm on Tuesday 7th November. If you witness anything please can you report this to the security.

Please don't park on the pavement, people with prams and wheelchairs are being forced in to the road.
