Langley Park Fun Day 2025

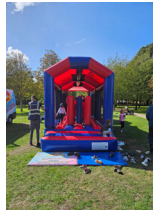

Our annual Langley Park Fun Day took place on Saturday 13th September, and what a lovely afternoon it was for bringing neighbours together. Under blue skies early on, the field was full of families, friends and familiar faces enjoying live music, games, the giant inflatable obstacle course and the ever-popular reptiles.

When the weather turned later in the day, it didn't stop the fun completely — a big thank you to everyone who stayed on and helped keep the atmosphere going despite the rain! It was great to see so many residents catching up or meeting for the first time and enjoying a relaxed community afternoon.

We're also delighted to share that, following the event, the raffle raised **£457 for Demelza West Wickham**. A huge thank you to everyone who bought tickets or donated prizes. Thanks also to our generous sponsors and John D Wood & Co, The Shutter Studio and Proctors, and to Multimac Group for covering the cost of the inflatables. Without this sponsors, we wouldn't be able to put on as much as we do.

Events like this only happen because of residents volunteering their time and effort. If you'd like to get involved in planning or helping at next year's event — even in a small way — we'd love to have you join the organising team. We'd also love to hear your ideas for future activities or entertainment you'd like to see. Every suggestion and pair of hands makes a real difference.

Wickham Way Gate

A slope has now been installed to the Wickham Way gate making it easier for prams and wheel chairs.

Dogs.

Due to a number of incidents involving dogs we would kindly ask dog owners to:-

Keep their dogs under control at all times.

If a dog defecates in any area of the development, the person in charge of the dog must remove the faeces immediately and place in the appropriate bins.

Roundabouts.

Attention has been drawn to the committee about vans, cars and children on bikes and scooters going the wrong way around the roundabouts.

We are very concerned that this is going to cause a serious accident, if you see this happening please give the reg-number to security.

Meet the gardeners.

From left to right
George, Paul (Manager) and Jack.

Please don't park on the pavement, people with prams and wheelchairs are being forced in to the road.
